Dear Sir.

I have been listening to your sermons over the Radio for quite awhile. Commenced last Winter, when it was too cold & stormy for me to go out much. I am 73 years old & a little hard of hearing, but I can understand you better than any of the other Radio, or our home Ministers I love to hear the Church belle ring, the Music & the whole service; sometimes our friends come in & it seems like being in Church. What a large Church you must have if I lived there I should want

to go every Sunday. I was baptized a Disciple many years ago, but we have only 2 Churches here Catholic & Methodist. of course I have to go to the latter or stay at home I am sending you a small bill in appreciation of your kindness to those who cant, or wont go to Church. With many thanks for your past Sermons, & hoping to hear you again next Sept. I am.

Dear Sir:-

It gives me great pleasure to let you know how much I have derived from your most helpful sermons. Being a shut-in, I have listened to your services ever since you began broadcasting some years ago. I have put off writing to you for no reason, only that I did not force myself hard enough to it, altho I have written to WMAK a few times.

Of all the church services that come over the radio, yours comes thru my loud speaker the clearest and best. I can understand your every word and when I say I think your sermons are wonderful, I mean it from the bottom of my heart. It was indeed sad to learn that last Sunday's sermon was your last by radio 'til September. That was such a beautiful talk, full of richness and Truth!

We are Christian Scientists here but your sermons are in a great many ways along that line, and you will never know how much we have enjoyed them. I am enclosing here only a small part of the gratitude which I feel for your church services. I only wish I could be able

How about this for discriminating appreciation!

to make it a thousand times this sum, for no money or any words I might use, could adequately express my thankfulness to you for the GOOD obtained from each Sunday service.

I shall look forward to the resuming of these Services in September; also I trust I may be able to meet you at some future time.

In closing I wish to express the hope that all who ever have heard your Services will be so kind as to let you know personally: because there are many I know, who do not take the time to write in and let you know just how much you are appreciated.

Very sincerely ypurs,

Dear Sir
As the W. M. A. K. Radio announcer said you would like to hear from your Radio listeners I am writing to tell you that we enjoyed your sermons very much. Although not of your faith we always tuned in on your services every Sunday morning

and we do want to thank you for the help we received from your preaching and will miss hearing you and will be glad when you again will broadcast.

Have been sick most of the winter so it seemed real good to be able to hear Gods word.

Dear Mr. Robinson:-

We wish to thank you for the excellent sermons, and the mighty good advice which you gave to your listeners each Sunday morning over WMAK.

We were mightly interested every Sunday morning, and while we are not members of your denomination, we appreciated the grand opportunity to drink in your words; even our youngsters, after returning from their own church, were anxious to listen to Mr. Robinson, and the family followed you Sunday after Sunday.

We know that your addresses struck the hearts of your many listeneres, and know that the seed which you sowed each Sunday morning cannot help but bear fruit, and that you will reap a rich reward in the Kingdom to come.

If all would follow the advice and do as you suggest we could not help but live better lives, and cherish a greater love for our fellows, and when the final summons came be not afraid to go.

Again thanking you for your many helpful suggestions and assuring you that the family and myself appreciated your good work.

I remain, Very truly yours,

My dear Mr.Dobson:

Thank you very much for your letter of April 16th. I am very glad to know that you are able to join us in our services last Sunday. It is a wonderful help to people who are kept away from their own place of worship.

You asked me about staying home from church to listen on the radio:I believe you would do some minister a great deal of good if you were to be present at the services. It helps others very much when loyal people are in their places.

With very cordial regards,I am,

Sincerely yours,

My dear Mr.Koerber:

Thank you very much for your kind letter and generous check. It is very much appreciated. The new addition to our building which we are undertaking is for the Sunday School work and not a place to worship in. We expect to continue to use the auditorium as before.

The work of the church has grown so that we no longer have room enough for the many activities.

Thanking you again,I am,

Very cordially yours,

June 2nd,1926.

My dear Friends:

Thank you very much for your kind letter of April 11th. It is a source of great pleasure to us to have our friends send us word when they are able to enjoy our Sunday morning services with us. We appreciate each and every letter that we get.

We hope that sometime it will be our pleasure to see you in our church. If you ever come to Lockport be sure to look us up.

With very kindest regards.

Mr.T.T.Feeley,

Lockport,N.Y.

My dear Mr.Feeley:

Thank you very much for your very kind letter. It is a great cause for thanksgiving to me to know that the radio service does have a place in the hearts of people. It is all so mysterious. Only by such friendly letters as yours does any knowledge of its effect come back.

I was especially pleased that your children were interested because children are good guides. They have such faith and are often spiritually far wiser thatn we give them credit for.

I hope very much that I may have the pleasure of knowing you by face. Perhaps I have met you and have stupidly forgotten.

With very sincere regards especially to the children.

Yours sincerely.

Mrs.G.H.Schnur,

My dear Mrs.Schnur:

Thank you very much for your kind letter and very generous enclosure.

It is a great joy to us to know that many people are able to enjoy our services. Someday I hope I may see you,perhaps not till we get to heaven. I feel I have a wide circle of friends whom I have never seen and feel very happy about it.

Yours sincerely,

June 9th,1926.

Mr.Harrison F.Fox,
14 Normal Ave.,
Buffalo,N.Y.

My dear Mr.Fox:

Thank you very much for your letter and the generous enclosure. It is very interesting to receive your letter. You note the fact that you are a Scientist. I was just now answering a letter from a Roman Catholic.

It all makes me feel that the plain Gospel of Christ strikes a note of sympathetic harmony in all human hearts.

I deeply appreciate your kindness in writing.

Yours sincerely,

Mr.F.W.Sheppard,
26 Mariposa Ave.,

My dear Mr.Sheppard:

Pardon the long delay in acknowledging your kind word of appreciation. Our radio mail has a way of piling up on my desk. I try to answer each letter and sometimes get badly behind.

Nevertheless I feel mighty grateful for each and every letter.

Yours sincerely,

June 9th,1926.

Mr.& Mrs.H.S.Parker,
R.D.3,
Sunda,N.Y.

My dear Mr.& Mrs.Parker:

Pardon my delay in acknowledging your very kind note with the most generous enclosure. The radio mail got piled on my desk and somehow your letter got underneath. I try to answer each one and discovered yours unanswered very much to my chagrin.

We are very pleasantly acquainted with Miss Eva V.Parker who says she is a cousin of yours. Miss Parker attends our church and has entered into our young peoples' activities with enthusiasm.

I am in and out of the hospital a good bit and see much of her.

I am glad we were able to give you the gospel services that you have been deprived of through lack of a Pastor.

Thank you again for your interest.

Yours sincerely,

June 10th,1926.

Mrs.Jos.A.Worthy,
198 Westmount Ave.,
Toronto,Ont.

My dear Mrs.Worthy:-

Thank you first for your very generous gift. It is very much appreciated,especially coming as it does from one of our radio friends. Acknowledgement should have been made sooner,but the questions in your letter led me to delay my reply until I could answer you fully.

The life beyond death is a great mystery. I believe we are told enough about it in the Scriptures to guide us safely, but certainly many questions that we can ask must go unanswered. Jesus on the cross promised the dying penitent thief that he should be with Christ in paradise that very day. I think Christians generally believe that at death those who are saved by Christ pass into Christ's presence and will remain with him forevermore. Certainly this is my own hope and bright anticipation.

Regarding our Lord's coming again:we are very definitely told that He will come visibly and that suddenly and in an hour that we look not for Him. It has always seemed to me to be idle to speculate as to the exact date. We are told to watch and be ready. No one can say that 1933 is wrong,nor can anyone say, so far as I can understand,that 1933 is right.

Your interest in Bible study is most commendable and it is a pleasure to try to help the little I can.

Yours sincerely,

June 10th,1926.

Mr.R.G.Johnston,
Whitby,Ont.

My dear Mr.Johnston:-

Your very kind letter was so interesting that I read it to several of our officers and then apparently mislaid because it is not marked "answered" and I am sorry because it deserved better treatment.

We are just now having some repairs made on the organ which we hope will greatly enhance its beauty and add to the enjoyment of our many radio friends next Fall.

Your suggestion about some extra music is most helpful and I rather believe we will do it in September.

Yours sincerely,

June 10th,1926.

Mrs.F.W.Horton,
145 Stark Ave.,
Penn Yan,N.Y.

My dear Mrs.Horton:-

Your very kind letter of March 18th comes to light to-day and apparently is unanswered. I try to give each radio letter my personal attention and regret exceedingly that yours did not receive an immediate answer.

Your interest and kindness in writing is most heartily appreciated. We have so many kind notes that it makes us very glad.

Yours sincerely,

June 10,1926.
